

Battery Wiring: 12 VDC Batteries

12 VDC Batteries – series connection

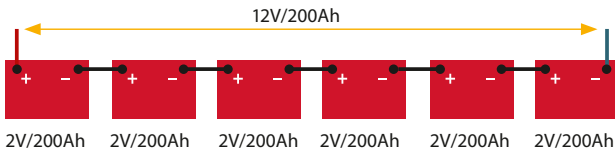

12 VDC Batteries – parallel connection

Battery Wiring: 2 VDC Batteries

2 VDC Batteries – series connection to 12 VDC

For a series connection to 24V connect a total of 12 pieces 2V/200Ah batteries. For a series connection to 48V connect a total of 24 pieces 2V/200Ah batteries

2 VDC Batteries – series connection to 12 VDC and 400 Ah
